to provide the money the work has to be spread over six or seven years...

3. Portions opened for traffic have to be maintained to prevent deterioration during this long period.

4. If the maintenance charges are debited to the original estimate, the latter will be largely exceeded.

5. It will be economy in the long run to maintain the portions already opened till the whole road is completed in all respects.

Sir,

In forwarding herewith copy of Shimoga Division Executive Engineer's docket No 267 dated 6.4 April 1910 stating that the Sorab Anavatti road has been practically completed and requesting that a provision of Rs 500/- may annually be made in the District Fund Budget for its maintenance, I have the honor to state that the matter was placed before the District Board that met on the 8.4 Instant and that it was resolved by the Board that the cost of the maintenance for the next year might be met out of the provision of Rs 1000/- made in the next year's District Fund Budget for "special repairs to roads and ferries" under A II (Repairs to be executed by P. W. D).

A copy of the Board's resolution is herewith submitted for favor of orders.

I have the honor to be,
Sir,
Your most obedient Servant
